Abstract

Pray for the free grant of a vacant site belonging to Govt, measuring 120 x 110 ft situated in the 1st Road of the Basavanagudi 1st extension where the said road meets the 4th Cross 2nd diagonal road for building a new Reading Room and for laying out a Tennis court for the benefit of the members of the Basavanagudi [illegible]

a building of our own by raising a Debenture Loan of Rs 2,000 The site we have applied for is situated in the centre of the Extension opposite to the Public Square The number of members on the roll at present is,- First Class 12 and Second Class 24 The want of a provision for out-door recreation such as is now proposed, has been often felt by our members who, in consequence of the distance of the Extension from their respective offices, will have no inclination to stop anywhere in the middle for recreatory purposes, nowevermuch they may feel the necessity to do so With a building therefore of our own and a tennis-court attached thereto, our Union will, we have no doubt, in time, ~~become~~ meet the demands of a much larger number of the people of this growing Extension

We hear that our application

for the said site to the President of the City Municipality has not been favourably viewed by the Board, and we therefore pray that the Government may be pleased to accede to our request If the Government is not pleased to grant us the site free of cost, we request that the same may be given to us for the upset price of Rs 132
